

Charter Realty & Development Completes Fleisher's Craft Butcher Lease in Greenwich, CT

Charter Realty & Development is pleased to announce that it has arranged a 2,350 square foot lease for Fleisher's Craft Butcher at 160 East Putnam Road in Greenwich, CT. Peter Levine of Charter Realty & Development represented Fleisher's in direct dealings with the landlord. Fleisher's will be occupying the former Radio Shack and joining existing tenants including the Greenwich Cheese Company and Fjord Fish Market.

Fleisher's is an old-fashioned butcher shop with modern-day ideals. They're dedicated to exclusively carrying pasture-raised meat from small, local farms that share their values of quality and sustainability. Fleisher's sources whole animals and follows a nose-to-tail philosophy, meaning that they use every part of the animal, making them one of the only butcher shops in the country to source and butcher in this way. Fleisher's premium beef, pork, lamb and poultry products come from animals that live stress-free lives and are never given antibiotics, hormones, steroids or animal by-products. The reasoning is part ethics, part health and part food safety, but it also translates into better tasting meat, milk, and eggs.

Charter Realty and Development currently owns and leases over 12 million square feet of space throughout the Northeast from Maine to Virginia to Pennsylvania. For more information on Charter and its available spaces, please visit www.chartweb.com or call (203)-227-2922
